## 30 STATIONS AND 300 BIKES (2019) PROPOSED EXPANSION SERVICE AREA

*\*Site locations will be determined on community input, data from initial launch, and demonstrated areas of need and interest. Also, note that underperforming stations may be relocated to increase impact of expansion.*

- Extend from Hampline to Shelby Farms via Greenline
- Consider Highland Strip, U of M, Audubon Park and Orange Mound connections
- Increase density in demonstrated areas of need based on use and programming efforts
- Evaluate Mid South Greenway development to determine inclusion viability
