

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE  
WASHINGTON, D.C. 20508

October 23, 2019

RE: Product Exclusion Request Number USTR-2019-0005-9312

Parlee Cycles, Inc:

I am pleased to notify you that the United States Trade Representative has determined to grant the above-referenced exclusion request submitted pursuant to the notice published at 84 FR 29576 ('the June 24 notice'). The exclusion determination is set out in a formal notice that has been submitted to Office of the Federal Register for publication ('the exclusion notice'). A pre-publication version of the exclusion notice has been posted on the USTR website, at [https://ustr.gov/sites/default/files/enforcement/301Investigations/%24200 Billion Exclusions Granted October.pdf](https://ustr.gov/sites/default/files/enforcement/301Investigations/%24200%20Billion%20Exclusions%20Granted%20October.pdf).

An exclusion in response to your request has been granted by excluding from the additional tariffs products covered by a specially drafted description contained in the annex to the exclusion notice. The scope of the exclusion is governed by the scope of the 10-digit HTSUS subheadings and product descriptions in the annex to the product exclusion notice, and not by the product descriptions set out in any particular request for exclusion.

In accordance with the pre-publication version of the exclusion notice available at [https://ustr.gov/sites/default/files/enforcement/301Investigations/%24200 Billion Exclusions Granted September.pdf](https://ustr.gov/sites/default/files/enforcement/301Investigations/%24200%20Billion%20Exclusions%20Granted%20September.pdf), the exclusion applies as of the September 24, 2018 effective date of the tariff action, and will expire on August 7, 2020. As stated in the exclusion notice, U.S. Customs and Border Protection will issue additional instructions on entry guidance and implementation.

Sincerely,

Joseph Barloon  
General Counsel
